CORE ESSENCE PACKAGE

CORE ESSENCE PACKAGE

The Core Essence Package contains 4 Signature Flower Essence Blends:
PEACE, LOVE, JOY and HARMONY.

These 4 signature blends work together to build an inner core of emotional health. When your mind is calm and your heart is open you can begin to experience peace in your inner world. Then you become spiritually fit to handle the challenges of everyday life.

Recommendations:

1. Specific instructions for daily dosage are included on cards labeled for each Signature Blend.
2. Choose a **Sixteen Week Cycle**: Start with the Signature Blend PEACE for 4 weeks, then LOVE for 4 weeks, followed by JOY for 4 weeks and finally Harmony for 4 weeks.
3. Or Choose a **Thirteen Week Cycle**: Same as 16 week cycle but you overlap each blend by one week. Starting the next blend 1 week early thus taking 2 blends at a time for a week. This staggered layered approach allows each blend to work with and build on the previous blend.
4. After you have completed a full Core Essence Package Cycle, feel free to repeat the cycle with a new Core Essence Package or move on to the Opening the Heart Package. If you have questions, about what to choose next, please email us: info@HealingImprints.com
